PRESS RELEASE

The SLMDA informs the general public that the Memorandum of Understanding signed between the Government of Sierra Leone and Healthcare workers of April 2020 expired on 30th June 2020 and to date no other engagement has been made.

The public is also informed of the nonpayment of allowances to our doctors working in Treatment and Isolation centres countrywide for the duration of the MOU.

In view of this the SLMDA is giving notice that all medical doctors in treatment and isolation centres will withhold their services within 24 hours of this notice.

Please note that all non- Covid-19 services will continue at all hospitals as doctors will be at work. This situation will continue till all promised allowances are paid in full.
