ANTI-CORRUPTION COMMISSION INTERVIEWS FORMER PRESIDENT
ERNEST BAI KOROMA

The Leadership of the All Peoples Congress (APC), wishes to inform our members, supporters and the public that the Chairman and Leader of our party, former President of Sierra Leone, Dr Ernest Bai Koroma availed himself today for the much anticipated interview with the Anti-Corruption Commission (ACC).

The interview was conducted in a respectful, dignified and amicable environment and despite all efforts to complete the interview today, it could not be completed due to time constraints. The former President is cooperating fully and intends to continue in that vein and the interview will continue on a date to be agreed upon by the parties.

The Chairman and Leader has always insisted on his willingness to be interviewed and his commitment to transparency and accountability, and continues to reassure the public of this commitment.

We urge all members and supporters to continue to remain calm and abide by the laws of Sierra Leone.

The former President is not under arrest or facing any constraints. He is in good spirits and extends his thanks and appreciation to his supporters and well-wishers for their support and prayers.

Long live the APC

Long live Sierra Leone

Yours sincerely

Amb. Dr. Alhaji Osman Foday Yansaneh
National Secretary General - APC
