Dear Sir,

RE: ENDORSEMENT OF DR. SAMURA MATHEW WILSON KAMARA AS THE APC
PRESIDENTIAL CANDIDATE FOR THE 2023 GENERAL ELECTIONS BY SENIOR PARTY
OFFICIALS

I write to register my dismay and disappointment in senior party officials publicly endorsing one presidential aspirant before the anticipated democratic processes of choosing our party officials and presidential candidate for the 2023 general elections.

On the 10th of January 2021, I was informed by several media outlets and persons that the following party officials:

- 1) Hon. Chernor Maju Bah (APC Parliamentary Leader and Acting Western Regional Chairman)
- 2) Madam Finda Diana Konomanyi (Chairperson Eastern Region)
- 3) Mr. Sidi Yaya Tunis (National Publicity Secretary)
- 4) Hon. Baba Kamara (Chairman Port Loko District Parliamentary Caucus); publicly endorsed Dr. Samura Mathew Wilson Kamara for the presidential candidature of the APC party in the 2023 general elections. They may say and I think quite justifiably that everyone has the right to endorse and support any candidate of their choice for any position. However, the aforementioned comrades hold senior party positions that commands respect and authority carrying responsibilities that can influence the democratic institutionalization of our APC party; especially at a time when the party is undergoing significant democratic reforms. Additionally, the party is also seriously engaged in brining peace and unity amongst the entire membership.

Since these very senior comrades have endorsed one presidential aspirant, it is my considered opinion that; they have betrayed the trust and confidence reposed in them by the party. In the circumstance therefore, the party leadership must take immediate action by relieving them of their responsibilities consistent with precedents in the party.

I leave my concerns and recommendations for appropriate actions in your capable hands.

Yours Sincerely

Alhaji, Hon. Ibrahim Kemoh Sesay (N.A.C Member))
