INTERNAL MEMORANDUM

TO: The Deputy Registrar: FBC; IPAM; COMAHS; SPS
FROM: The Registrar

SUBJECT: RESUMPTION OF ACADEMIC ACTIVITIES

I am directed by the Vice Chancellor and Principal to inform you that with effect from tomorrow 3rd February 2021, the University is to resume academic activities which were put on hold because of the Industrial Action by the Academic Staff Association (ASA). We are glad to inform you that the situation which caused the impasse leading to the strike action by ASA has been resolved.

You are therefore required to expeditiously continue the activities required to finish the 2019/2020 academic year, so that we can start the 2020/2021 academic year as soon as possible.

Thank you.

Olive A. Kash Barrie
