30th March, 2021

The Inspector General
Sierra Leone Police
Police Head Quarters
George Street
Freetown

Re: Request for Police Clearance

With respect most honored, we the elected Councillors of Freetown City Council write to request for a police clearance to embark on a peaceful demonstration against intimidation and harassment on the Mayor of Freetown in the person of Mayor Yvonne Aki-Sawyer OBE on the 8th April, 2021 starting at 10:00am prompt.

The Police and the general public may be aware of all derogatory statements made by some Sierra Leoneans who didn't mean well for this nation against the Mayor who has been recorded with a hidden device without her consent and doctored to create mayhem and unrest in the nation.

It is against this backdrop that, we the Councillors of Freetown City Council are kindly requesting for a clearance for a peaceful demonstration which will enroute up-gun unto state house.

Conclusively, we are counting on your support for security personnel and other means of security measures to help make this peaceful demonstration a success.

We remain calm and peaceful whilst awaiting your positive response.

Please see attached signatures of all FCC Councillors.
