**PRESS RELEASE**

**ALL PEOPLES CONGRESS (APC) RECONCILES AND AGREES ON A  
ROADMAP FOR VICTORY IN 2022 AND 2023.**

The Leadership of the APC wishes to inform the general public that the Party has now agreed on a roadmap for peace, reconciliation and healing in our Party and a set of actions that shall be undertaken over the coming weeks and months to ensure victory for our Party in the 2022 Local Council Elections and the 2023 Presidential and Parliamentary Elections. This conclusion was reached yesterday 25th May 2021 in Makeni following a very successful meeting between the leadership of the APC, key stakeholders of the Party and the BIG 6.

The Leadership of the APC wishes to appreciate the BIG 6 for their sustained commitment to the APC and its Leadership, and for their patience and maturity displayed in the midst of all the accusations which they vehemently denied.

The Leadership of the Party hereby appeals to all members and well-wishers to uphold the decisions reached in Makeni and to ensure that peace and tranquillity prevails in our beloved Party.

The Leadership is also appealing to all members of the Party to refrain from cursing and the use of invectives against comrades with immediate effect. We are comrades and we must treat each other with dignity and respect.

The Leadership further wishes to make it known that concrete steps are being taken to ensure that all matters currently before the courts are resolved amicably within the shortest possible time.

God bless the Leadership of the APC.

God bless the APC and its members.

God bless Sierra Leone.
