PUBLIC NOTICE

This is to inform the public that it has pleased the Ambassador of Entertainment and Investment in Sierra Leone Amb.Kao Denero to terminate the services of the undermentioned board members with immediate effect.

- 1.David Vandy
- 2.Sahr Issa

This decision was reached following their non-cooperation with him to promote the industry since their appointment some months ago and some were with different opinions about the operation of the Board.

As the ideology of Amb.Kao Denero resonates with government's commitment towards promoting Investment and the Entertainment industry in Sierra Leone, it expected of every Board Member to work towards in delivering the Ambassador's agenda.

Ambassador Kao Denero has deemed it necessary to appoint Ezekiel Charles aka D.J Zyco -President of National Federation of DJ's Union.

Amb.Kao D'Nero however wishes the former board members success in their adventure and looks forward to a perfect collaboration with the new appointee.
