

**Councillors of Freetown City Council
17 Wallace Johnson Street Freetown.**

12th July 2021

To:
The Honourable Minister
Ministries of Local Government and Rural Development
6th Floor Youyi Building
Brookfield Freetown.

Dear Sir,

REQUEST FOR THE IMMEDIATE TRANSFER OF THE CHIEF ADMINISTRATOR OF THE FREETOWN CITY COUNCIL.

We the undersigned councillors write on the aforementioned that the Chief Administrator, Mr. Festus Kallay be transferred to another local council with immediate effect.

Sir, as development has been the watch ward of His Excellency the President so is how councillors of the Freetown City Council embraced that dream and are committed to actualise such dream but the Chief Administrator has embarked on killing the dream for reasons best known to him. We want to bring to your notice that the Chief Administrator is supposed to serve as an adviser to the Mayor has been in malice with his superior for the past eight weeks and is deliberately refusing to sign some documents relevant for the furtherance of the council and the municipality.

He has created a situation of divide and rule amongst core staff and there is persistent insubordination to Her Worship the Mayor and councillors that has hampered the smooth running of the council. He comes to work as and when he feels and takes instructions only if he (Chief Administrator) supports such instructions regardless of whether there are lawful decisions of the council. See attached Press Release ***"The continue suppression of progress at Freetown City Council"***

We are of the opinion and conviction that the Chief Administrator is in breach of his responsibilities under the Local Government Act 2004

PART VI SECTION 31 (4)

(4) A Local Council Chief Administrator shall—

- (b) Be responsible for the implementation of all lawful decisions of the local council;**
- (c) Assist and advise the Chairperson in the performance of his functions;**
- (f) Perform such other functions as the local council or Chairperson may determine; and**
- (g) Ensure that staff performance standards are met.**

It is against this backdrop as elected officials whose sworn duties is to seek the welfare of the citizenry have decided to write and ask your good office to transfer the chief administrator for the sake of development, peace and sanity in Freetown.

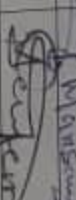

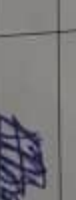

Attached is a list of names and signatories of councillors of Freetown City Council.
