PRESS RELEASE BY THE APC ON THE BYE ELECTIONS IN KOINADUGU DISTRICT
CONDUCTED ON SATURDAY 2ND OCTOBER 2021.

With 91% of results captured in our Tally Centre, APC leads by over 6,500 votes.

The Tally process was disrupted at the NEC District Office by the SLPP today because our team was able to expose four attempts to tamper with and change figures.

The Sierra Leone Police could not contain them. NEC therefore suspended the tallying until further notice.

We are also leading in the Councilor election by 96 votes with 100% of results already captured in our database.

The Leadership of the Party is in constant touch with the Chairmen of NEC and the PPRC. Any attempts to steal our votes by the SLPP using brute force will be resisted by the Party.

Meanwhile, we urge our members and supporters to remain calm and obey the law. You will be updated as and when we receive development from the Elections Management Bodies (EMBs)

Signed

.....
Amb. Dr. Alhaji Osman Foday Yansaneh
National Secretary General - APC
