Sierra Leone**

The National Grand Coalition (NGC) joins all Sierra Leoneans at home and abroad to mourn the death of all our brothers and sisters who lost their lives in the recent fire disaster that occurred at Wellington, east of Freetown last night.

We join the nation and especially the bereaved families in mourning for their loved ones and pray that God will give them the courage they need to go through this very difficult experience. May the souls of the departed rest in perfect peace. Amen/Amin.
