PRESS RELEASE

The attention of the Executive of The All Peoples Congress Party in Kono District has been drawn to a Press Release issued by the National Electoral Commission, Kono, to which the APC constituency Chairman of 027 Purportedly signed a joint declaration, that they have confidence in the National Electoral Commission for the conduct of the By-Election of Ward 091 refuting earlier claims made by the National Elections Watch (NEW).

As Chairman of the APC Party in Kono District, I and my Executive are not aware and we were not consulted. In conversation with the Constituency Chairman, he complained that, he was coerced by NEC to do so.

The APC party considers this action as criminal and does not reflect the status of the National Electoral Commission.

The APC Party in Kono District is not aware and totally dissociates itself from the Press Release issued out by the National Electoral Commission, Kono.

As a party, we still stand by what the National Secretary General of the All People's Congress Party Said about The National Electoral Commission and the Press Release issued out by the National Elections Watch (NEW).

Thanks for your kind attention.

Signed: 
Cllr. Sahr Mohamed Mattia.
Chairman, APC- Kono.
