**RE: MEDICAL UPDATE OF INMATE MOHAMED KAMARAINBA MANSARAY**

Reference memorandum MS/SLCS/Vol. III/V dated 11<sup>th</sup> November, 2021, I am hereby informing you that the above named inmate is suffering from nervousness, acute lower back pain, frequent micturition, and seems to exhibit some psychological trauma.

His vitals are as follows: Blood pressure 160/120mmhg, Temperature 36°C, Respiration 24 bpm and Pulse 72 bpm.

He is unable to attend court today due to the above symptoms.

I hereby request the opinion of other doctors from Ministry of Health and Sanitation to re-examine him and findings forwarded to your office for clarity

Yours Faithfully  
SICA
