

MINISTRY OF LANDS, HOUSING AND COUNTRY PLANNING

PUBLIC NOTICE

The Ministry of Lands, Housing and Country Planning wishes to inform the general public that the report of the Complaints Committee on Land Disputes in the Western Area has been made public and can be accessed on the Ministry's Website at www.molhcp.gov.sl

The report done by the nine-man committee led by Alhaji Murtada Sesay contains case investigations, findings and recommendations.

The Lands Complaints and Dispute Resolution Committee received a total of 305 complaints and successfully investigated and concluded 118 cases. The remaining 187 cases could not be concluded within the mandated time-frame of the committee as a result of time-constraints and complexity of some of the complaints.

Led by the Minister of Lands, Housing and Country Planning, the Complaints Committee report was recently submitted to His Excellency the President on Thursday 7th October 2021 and later approved by Cabinet for implementation.

Cabinet has also authorised the establishment of a Directorate of Complaints and Land Dispute Resolution to address the outstanding complaints received by the Committee.

The Permanent Secretary of the Ministry will formally contact all complainants whose cases have been concluded with respect to the implementation of the recommendations.
