**Spate of fake doctorate degrees**

The All People's Congress is appalled at the spate of fake doctorate degrees paraded by highly placed people in society, especially the current government. The APC is ashamed of the plunge in the country's reputation as a beacon of education in West Africa.

It is pathetic that a party - the SLPP - that claims to be the promoters of education and campaigned on the promise of transforming the education system cannot check a simple matter like the registration of fake academic institutions.

We call on the government to speedily address this matter and bring all defaulting parties to book. We further ask that the government apologizes to the people for bringing the country's name into disrepute. It's a disgrace that a government that seeks to rebrand the country's image is condoning such ignoble acts.

The All People's Congress wishes to assure the people of Sierra Leone that it will sanitize the educational malaise that has gripped the country since the SLPP came into power in 2018. We seek the people's mandate at the next general election to check this ugly situation.

**LONG LIVE THE APC!**

Signed:

Amb. Dr. Alhaji Osman Foday Yansaneh  
National Secretary General - APC Sierra Leone
