Press Release

Payment of Mid-Term Census Field Staff

Stats SL wishes to inform all field staff of the 2021 Mid-Term Census who have successfully completed and synced their data that payment of remaining allowances will commence on **Monday 25th April 2022**. You may check with your banks from Thursday 28th April.

Stats SL is grateful to the Government of Sierra Leone which has remitted through the Ministry of finance, the funds for the remaining field allowances to be paid.

Please note that payment to field staff will be prioritized as follows. Those who have:

1. **Synced all their data to the servers to guarantee 100% work completion;**
2. **Submitted to Stats SL all census gadgets provided to them (tablets and power banks); and**
3. **Submitted their full bank details including correct BBANs.**

All other field staff who have either not submitted their bank details and/or yet to return their tablets and power banks are strongly advised to do so on or before Friday May 29th, 2020.
