### FOR IMMEDIATE RELEASE

Wednesday 10<sup>th</sup> August 2022.

### CANCELLATION OF C4C PRESS CONFERENCE

Due to the prevailing situation in the country, culminating in the installation of a national curfew, the scheduled **11<sup>th</sup> August, 2022 Press Conference** is duly postponed until calm returns.

The rescheduled date will be announced in due course.

The party seizes this opportunity to condemn the senseless killing of officers of the Sierra Leone Police, and the loss of lives of peaceful protesters.

We reiterate that there is no room for mob justice in our society, and we must ensure that the rule of law is adhered to by all parties, including the State Security apparatus.

In addition, the Government must not ignore any threats to national security from within or outside Sierra Leone, and we therefore urge His Excellency President Bio to lead the process of uniting the nation, and tangibly deliver the peace and justice he is obligated to protect through the oath of Office.

We share our heartfelt condolences to all those families who have lost their loved ones, properties and livelihoods in a senseless way through no making of their own, and mourn with them with prayers that God deliver them to their final resting place to rest in perfect peace.

God bless us all!

God bless Sierra Leone!

Long live our Democracy!
