## **PRESS RELEASE**

**The NGC has observed with sadness and concern the unfolding riots and violence across the country. The party unequivocally condemns all acts of violence and calls on all citizens to be law-abiding. Violence is not a solution to the problems we face as a nation.**

**The NGC extends sincere condolences to the families of all who lost their lives, and sympathises with all those injured.**

**We call for calm and respect for human rights, law, and order. Now is the time for political dialogue to move us back from the brink and towards national unity, peace, and cohesion.**

**Thank You All!**
