PRESS RELEASE

IMC Launches Investigation into Alleged Incident in Kono between Citizen Radio 107.5 FM and Honourable Saa Emmerson Lamina.

The Monitoring Research and Project Unit of the Independent Media Commission (IMC) has drawn the attention of the Commission to an alleged incident on Saturday 3rd September, 2022 between Hon. Saa Emmerson Lamina and Citizen Radio Kono 107.5 F.M.

As the statutory media regulatory institution with the mandate to promote a free and pluralistic media industry throughout Sierra Leone; and also, to protect the interest of the public against exploitation or abuse by media institutions pursuant to the IMC Act 2020 (Act No 5 of 2020), the Commission wishes to inform the public that it has launched a formal investigation into the matter.

The public will be informed accordingly on the outcome of the investigation.
