

SIERRA LEONE PRESS RELEASE

RETAIL PUMP PRICES ANNOUNCEMENT

The Petroleum Regulatory Agency (PRA) with the Ministry of Finance , the Ministry of Trade & Industry and the Oil Marketing Companies have jointly reviewed the maximum retail pump prices of petroleum products.

Accordingly, pump prices effective 19th October 2022 for the public throughout Sierra Leone are as follows:

PRODUCT	PETROL	DIESEL	KEROSENE	FUEL OIL
PUMP PRICE	NLe20	NLe20	NLe20	NLe20

The combined effects of the international reference price, platts and the appreciation of the trading currency (USD / SLL) have impacted the changes in the pump prices.

The policy of full pass-through prices will remain applicable to all commercial up-lifters and payments domiciled in USD.
